our goals

MISSION

Got Legs is an outreach initiative that addresses fundamental human needs. Through volunteerism and a charity-based shopping experience, we strive to raise awareness and eliminate homelessness. With the funds raised through community engagement, we can purchase beds and furniture for those in need.

PURPOSE

Got Legs is owned and operated by Bridging AZ Furniture Bank, an award-winning non-profit organization that improves the quality of life of low-income, at-risk individuals. Since 2004, Bridging AZ has helped turn an empty apartment into a home for more than 60,000 people and distributed 260,000-plus items to the needy.

All store proceeds from Got Legs support Bridging AZ and its affiliated services.

"Sales at Got Legs will allow us to continue our mission. Our hearts are with the veterans, and the physically and mentally disabled."
