**GOT LEGS FURNITURE AND DECOR IS THE COMMUNITY’S CHARITABLE
ALTERNATIVE FOR HOME DECOR SHOPPING**

Non-Profit Organization Seeks to Eliminate Homelessness with Furniture Retail Store

Scottsdale, March 12, 2020 — Got Legs Furniture and Décor is a non-profit organization committed to providing local patrons a charitable option for home goods shopping. Our Scottsdale store offers a unique selection of gently used, designer-quality furniture and décor.

All of the items sold are handpicked and donated from local businesses and consignment stores, giving patrons the opportunity to purchase high-end furniture at a quarter of the market cost. The donation-based system sustains the organization’s ultimate mission to end homelessness in the valley. 100 percent of proceeds from Got Legs Furniture is donated to 501(c)(3) parent company Bridging AZ Furniture Bank — an award-winning non-profit organization dedicated to serving local families and veterans in need.

“The shop is a great way to engage the public to tell them the good we’re doing out there in the community,” said Jim Piscopo, co-founder of Got Legs Furniture and Bridging AZ, who runs both organizations alongside his business partner and wife, Donna. “We have great products. They’re fun, funky. You won’t find this type of quality at many other stores here in town.”

Got Legs Furniture is one of Arizona’s leading non-profit furniture retail shops. More information about Got Legs Furniture and Décor is available at <http://www.gotlegs.org/>.
